Paper 1 Pure Mathematics 1 (P1)

October/November 2019

1 hour 45 minutes

Candidates answer on the Question Paper.

Additional Materials: List of Formulae (MF9)

READ THESE INSTRUCTIONS FIRST

Write your centre number, candidate number and name in the spaces at the top of this page.

Write in dark blue or black pen.

You may use an HB pencil for any diagrams or graphs.

Do not use staples, paper clips, glue or correction fluid.

DO NOT WRITE IN ANY BARCODES.

Answer **all** the questions in the space provided. If additional space is required, you should use the lined page at the end of this booklet. The question number(s) must be clearly shown.

Give non-exact numerical answers correct to 3 significant figures, or 1 decimal place in the case of angles in degrees, unless a different level of accuracy is specified in the question.

The use of an electronic calculator is expected, where appropriate.

You are reminded of the need for clear presentation in your answers.

At the end of the examination, fasten all your work securely together.

The number of marks is given in brackets [] at the end of each question or part question.

The total number of marks for this paper is 75.

This document consists of **19** printed pages and **1** blank page.

BLANK PAGE

- 1** The coefficient of x^2 in the expansion of $(4 + ax)\left(1 + \frac{x}{2}\right)^6$ is 3. Find the value of the constant a . [4]

[illegible]

- AHEAD

- 3** A curve is such that $\frac{dy}{dx} = \frac{k}{\sqrt{x}}$, where k is a constant. The points $P(1, -1)$ and $Q(4, 4)$ lie on the curve. Find the equation of the curve. [4]

[illegible]

The diagram shows a circle with centre O and radius r cm. Points A and B lie on the circle and angle $AOB = 2\theta$ radians. The tangents to the circle at A and B meet at T .

- (i) Express the perimeter of the shaded region in terms of r and θ . [3]

[illegible]

A series of horizontal dotted lines for writing.

A circular logo located at the bottom right corner of the page. The word "AHEAD" is written in a bold, sans-serif font, following the curve of the top half of the circle. The background of the circle appears to have a textured or patterned design.

- [The volume of a cone of radius r and vertical height h is $\frac{1}{3}\pi r^2 h$.]

A series of horizontal dotted lines for writing.

A circular logo in the bottom right corner of the page. It features a blue arc at the top with the words "GO AHEAD" written in white capital letters. Below the arc is a red circle containing a white dot. The entire logo is partially cut off by the edge of the page.

A series of horizontal dotted lines for writing.

- 6** (a) Given that $x > 0$, find the two smallest values of x , in radians, for which $3 \tan(2x + 1) = 1$. Show all necessary working. [4]

A series of horizontal dotted lines for writing.

A circular logo in the bottom right corner with the text "GO AHEAD" in a stylized font. The logo is partially cut off by the edge of the page.

(b) The function $f : x \mapsto 3 \cos^2 x - 2 \sin^2 x$ is defined for $0 \leq x \leq \pi$.

(i) Express $f(x)$ in the form $a \cos^2 x + b$, where a and b are constants. [1]

.....

.....

.....

.....

.....

.....

(ii) Find the range of f . [2]

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

- [illegible]

(ii) Determine whether P is nearer to Q or to B .

[2]

[illegible]

(iii) Use a scalar product to find angle BPQ .

[3]

[illegible]

- 8 (a) Over a 21-day period an athlete prepares for a marathon by increasing the distance she runs each day by 1.2 km. On the first day she runs 13 km.

(i) Find the distance she runs on the last day of the 21-day period. [1]

.....

.....

.....

.....

.....

.....

.....

.....

(ii) Find the total distance she runs in the 21-day period. [2]

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

(b) The first, second and third terms of a geometric progression are x , $x - 3$ and $x - 5$ respectively.

(i) Find the value of x . [2]

.....

.....

.....

.....

.....

.....

.....

.....

.....

(ii) Find the fourth term of the progression. [2]

.....

.....

.....

.....

.....

(iii) Find the sum to infinity of the progression. [2]

.....

.....

.....

.....

.....

.....

.....

.....

.....

9 Functions f and g are defined by

$$f(x) = 2x^2 + 8x + 1 \quad \text{for } x \in \mathbb{R},$$

$$g(x) = 2x - k \quad \text{for } x \in \mathbb{R},$$

where k is a constant.

- (i) Find the value of k for which the line $y = g(x)$ is a tangent to the curve $y = f(x)$. [3]

.....

.....

.....

.....

.....

.....

.....

.....

.....

- (ii) In the case where $k = -9$, find the set of values of x for which $f(x) < g(x)$. [3]

.....

.....

.....

.....

.....

.....

.....

.....

.....

- (iii) In the case where $k = -1$, find $g^{-1}f(x)$ and solve the equation $g^{-1}f(x) = 0$. [3]

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

- (iv) Express $f(x)$ in the form $2(x + a)^2 + b$, where a and b are constants, and hence state the least value of $f(x)$. [3]

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

(i) Obtain expressions for $\frac{dy}{dx}$ and $\int y dx$. [4]

A series of horizontal dotted lines for writing.

A circular logo in the bottom right corner, partially cut off by the edge of the page. It features the words "GO AHEAD" in white capital letters on a dark blue background. The logo is positioned at the end of the first row of dotted lines.

(ii) Find the coordinates of B .

[4]

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

(iii) Find, showing all necessary working, the area of the shaded region.

[4]

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

This image shows a full page of a worksheet designed for handwriting practice. It features multiple rows of horizontal dotted lines spaced evenly across the page, providing a guide for letter height and placement. The background is plain white, and there are no other markings or text present.

Cambridge Assessment International Education is part of the Cambridge Assessment Group. Cambridge Assessment is the brand name of the University of Cambridge Local Examinations Syndicate (UCLES), which itself is a department of the University of Cambridge.
